

# THE WEEKLY GRAPHIC

T. E. SUBLETTE, Proprietor.

KIRKSVILLE, MISSOURI.

FRIDAY JUNE 7.

## GRAPHICS.

Mrs. Leech to Millinery.  
Father Roszell will preach at Center church next Saturday at 11 o'clock a. m.

Mrs. A. C. Harper who has been visiting her sister Mrs. Charles Omer, in this city returned to her home in Kansas City Monday night.

L. C. Sigler is on the sick list this week, but his business goes right on the same as if he were present to overlook all business transactions.

W. A. Cole was too busy this week to give the GRAPHIC an advertisement. He has added an extra force for plumbing, but is still swamped with work.

Japan may open another war with China, but the O. K. barber shop will go right along giving the best hair cut and shave for the money in Kirksville.

The silver question is worrying both the old political parties, but you don't have to worry about a hair cut or shave if you go to the O. K. barber shop, first door north of the postoffice.

Licenses were issued this week authorizing the marriage of Russell Bartlett, of Benton township, to Miss Ella B. Linhard, of Polk township, and D. N. Thomas to Mrs. Fannie Waggoner, both of Nineveh township.

The Kirksville ball club wiped up the earth with the LaPlata boys at LaPlata Monday, to the tune of 29 to 15 in Kirksville's favor. This makes the "best two out of three" games for Kirksville against LaPlata. The third game has not yet been played.

Genl. Supt. H. L. Magee, Supt. F. H. McGuigan and Engineer J. M. Morrison, of the Wabash Co., came in on a special car yesterday morning, to confer with the committee of Kirksville citizens regarding the location of a new depot.

The ladies' Missionary society of the Christian church will serve ice cream and cake on Monday, Tuesday and Wednesday evenings of commencement week; also Wednesday and Thursday afternoons in the yard of the Griffith boarding house, north of the normal. Your patronage is solicited.

On account of the entertainment of the Model school the Graduate's Concert by Miss Mabel Steele of Holden, was postponed and will take place Saturday evening the 8th, this week. This concert is to be one of the most interesting of the series. Come one and all. Nominal admission, 10c.

Our city has two new elegant close carriages. The first was brought here by Messrs. Miller & Patterson the new wide awake livery firm. The second, by Messrs. C. A. Bounds & Son. Our Kirksville liverymen can now turn out as elegant equipages as roll over the pavements of St. Louis and Chicago.

The Kirksville Mercantile College will open September 1st, and Mr. Smith is busy engaging teachers and making other necessary arrangements. The four departments will be in charge of six of the best specialists to be obtained, and no effort will be spared to make the Mercantile more complete than ever before.

The new law passed by the legislature requires Merchant's sworn statements as to the greatest amount of goods, wares and merchandise on hand between the 1st Monday in March and the 1st Monday in June each year to be filed with county assessor, whose duty it is to make out what is called the merchant's tax book and return same to county Board of Equalization on the 1st Monday in September of each year. At that date county Board of Equalization meets at county clerk's office to equalize the merchants' statements same as real estate and personal property; giving notice through the mail to all who have been raised to meet the board on 4th Monday in September and show cause why their statements should not be so raised.

Eld. Ely, of Fairfield, Neb., was in the city from Friday until Monday. He preached at the Christian church Sunday morning and at night. He has given up his charge in Nebraska and has again entered the evangelistic field. He will locate in Kirksville, and with his family will arrive here in about ten days.

## A NEW DEPOT.

Wabash Officials in the City to Decide Upon a Location.

Plans to be Submitted in a Few Days.—New Structure to be Erected at the Foot of Washington Street.—Officials Compliment Kirksville.

Kirksville will have a new depot, the plans for which will be perfected in a very few days. The exact location has not yet been decided, but it is thought the new structure will be built at the foot of Washington street, one block north of the old depot.

General Supt. Magee, of St. Louis, Supt. F. H. McGuigan and Resident Engineer, J. M. Morrison, of Kansas City, all Wabash officials, spent yesterday looking over the city and conferring with a party of prominent business men regarding the project.

The officials came in a special car yesterday morning, and remained in the city all day.

In company with a committee of business men, they were driven over the city, and spent several hours inspecting the many points of interest.

This was the first visit of the Wabash officials and they were very enthusiastic in expressing their admiration of Kirksville. They were greatly surprised at the apparent business importance of our city, and paid her many compliments.

After the drive the officials returned to the Pool Hotel where an informal banquet was given by the citizens. About twenty-five business men were present, and commencing business with pleasure, the matter of a new depot was thoroughly discussed.

Toasts were made by Hon. S. M. Pickler, J. M. DeFrance, A. I. Doneghy, L. C. Sigler, J. H. Bailey, and Henry Patterson on part of the city, and responded to by Genl. Supt. Magee on behalf of the company.

After looking over the ground, the officials assured the business men that a depot thoroughly in keeping with our city's importance, would be erected at once; and that the definite plans would be prepared and submitted to the city in a few days.

## Fatal Accident.

A little four-year-old child, whose parents reside at Stahl, met with a fatal accident at Green-castle last Thursday. In company with several other children, it was playing on a sidewalk and losing its balance fell from the edge of the walk to the ground. In falling the child's head struck a nail which made an ugly wound. Dr. Schooling was called and dressed the wound, which was not considered serious. After returning to Stahl the child continued to suffer, and another doctor was called. Later, Dr. Goben was summoned, but the child died before he arrived.

## Feared Hereditary Influence.

Guy Curry, the Adair county boy who committed suicide in Macon county last week, seems to have been the victim of a morbid belief that self destruction was his inevitable destiny. His great grandfather had killed himself when only nineteen years old, and young Guy believed he could not escape the influence of heredity. He brooded a great deal over the matter, and this, together with the following note found upon his body may explain his rash act:

"To be, or not to be, shall I live and bring unhappiness to all I love, and continual remorse to myself, or die and end all? I fear not the future. Reason has taught me that death is but sleep, only oblivion. Goodbye father, mother, sister and brother, and goodbye to the one I love best of all, my dear darling wife. She loves me and I her but I cannot make her happy. The curse of heredity makes me false to all 'Tis best that I die my dearest Alta. May you forget me. Good-bye."

## Notice to Tax Payers.

The city has passed an ordinance adding one per cent a month on all delinquent taxes after July 1.

LEWIS LINK,  
City Collector.

## GRANDEST EVER HELD

Kirksville Arranging for a Big Celebration.

That Kirksville will score the prize fourth of July blow out in her history this year is no longer doubted by her citizens. Since their appointment several weeks ago, the committees have been rustling as only Kirksville committees can rustle, and a rare treat is assured.

Although the committee on speakers are making haste slowly and have as yet made no definite engagements they are in correspondence with Senator Allison, Ex-Senator John J. Ingalls, Ex-Gov. Boise, and many other statesmen and orators of National reputation.

A gang of workmen are busy this week cleaning out the city park, trimming the trees and overhauling things generally.

Prof. Spangler's "kid" band, which will be engaged for the occasion, are preparing a musical program that will astonish the natives, and convince all visitors that Kirksville has the best band in North Missouri.

The display of fire works will excel all former efforts and will comprise all the wonders of modern pyrotechnic science.

The program will consist of both day and night fire works. It is the earnest care of the committee that this display shall be the most complete ever witnessed by Kirksville people.

The citizens of Kirksville, through their carefully selected committees, are leaving no stone unturned to furnish a royal entertainment for the entire county, and earnestly invite everybody to come out and jubilate.

## Depot Burned.

The Wabash depot was badly damaged by fire Saturday evening. The blaze was started in the freight room, by the explosion of a lamp, and the entire building was soon in flames. An alarm was turned in, and in a very few minutes the fire company was on hand. Hose was coupled and streams from four nozzles, under a powerful fire pressure soon had the blaze under perfect control.

When the fire company arrived, the entire building was on fire and flames were shooting from almost every window in the structure. The work of the company was accomplished in a manner highly creditable to the organization. The boys worked with skill and discipline that would have done credit to a much larger city; and after half an hour's fighting the fire was thoroughly put out, leaving the depot sufficiently intact to be used until the railroad company can erect a new one.

The freight in the ware room was nearly all destroyed, but all furniture, books, etc., were saved without much damage.

Prof. J. M. Greenwood, of Kansas City, made his annual visit to his parents last week. He spent Saturday in Kirksville greeting old friends of his boyhood days. On June 29, he will sail for Europe and will visit England, Scotland, Germany, Italy and Spain.

The enterprise and public spirit displayed by the I. I. O. F. F. ladies certainly deserve substantial acknowledgment, and if there is not a large attendance of young men at the opera house to-night, "Kirksville gallantry" will hereafter be punctuated by a question mark. Remember, the proceeds of this entertainment will be used to improve the city park.

The I. I. O. F. F. entertainment at the opera house to-night, should be attended by every public spirited citizen of Kirksville. The entire proceeds will be used in improving the city park, and every resident should contribute his mite toward making the affair a financial success. If it is inconvenient for you to go, just drop around and buy a few tickets.

Owing to the rainy weather, the regular program for decoration day was dispensed with and exercises were conducted at the opera house. The memorial address was delivered by Rev. Linder, and was indeed a masterly effort. After the address the Grand Army marched to the cemetery and continued the sacred services as best they could under the circumstances.

## Lecture Course

The Normal faculty have long contemplated the establishment in our city of a local lecture bureau. In order to make it a success they decided to secure the interest of the citizens of the town. Profs. Proctor, Dobson and Norton were appointed to see as many of its citizens as they could and get them to meet in the parlors of the First National Bank. Owing to the fire at the depot there were not more than fifteen or twenty present. Prof. Dobson was elected chairman and J. R. Musick, secretary. Speeches by R. M. Ringo, J. M. McCall, Profs. Norton, Dobson, Proctor, Scarborough and others were made. The meeting decided to establish a local lecture bureau to secure five lecturers for the coming year at the State Normal Chapel, and the chairman was empowered to appoint a committee of ten, five citizens and five members of the faculty to organize the Lecture Bureau.
